To: Contracting Officer  
Subject: Contract No. SP-1925

Returned herewith are the original and one copy of subject contract, both fully executed. We have retained an executed copy for our file.

Will you kindly make the revisions indicated below (at your convenient opportunity, presumably when you are able to amend to delete the "subject to availability of funds" provision).

In Item 2, substitute "343" for "378", reflecting a recently agreed-upon change--also, in Part II.

Delete the last sentence of (e) on the very last page entitled "Alterations". (That one was peculiar to the DK where the f.o.b. point is here and surface transportation is to be utilized for shipment.)

Very truly yours,

*Bob*
